[Will the US Economy Trigger Violence?](#)

18.06.11

CNN is normally useless for real news, but apparently they decided for some reality with this clip. Do you believe that the U.S. economy is steamrolling toward a depression? If so, you are not alone.

According to a recent CNN poll, 48 percent of Americans believe that "another Great Depression" is likely within the next 12 months.

Americans have been waiting for almost three years for a "recovery" to materialize, but instead there are all kinds of signs that the economy is about
