

קַדְמוֹן אָדָם

hā-'Ādām Qaḏmōn

---

*Also out of the midst thereof came the likeness of Four living creatures, and this was their appearance, they had the likeness of a Man... [Ezekiel 1:5]*

This *Man* is the supernal, or heavenly macrocosm, the Celestial Man of Light, the Androgynous Adam Kadmon, the Angel of the Lord, in whose image every human being is created; and who in turn is the expressed reflection of the Presence of God as it makes itself known in the oracles of Nature. (see Acts 13:38-41).
