AGLA

From Wikipedia, the free encyclopedia

AGLA(אגלא) is a notariqon (kabbalistic acronym) for *Atah Gibor Le-olam Adonai*, "You, O Lord, are mighty forever." Also seen as Athah gabor leolah, adonai, (אתה גבור לעולם אדני - Thou art powerful and eternal, Lord) Samuel Liddell MacGregor Mathers has suggested an arbitrary interpretation of AGLA (אגלא) as "A the one first, A the one last, G, the trinity in unity, L, the completion of the Great Work."^[1] According to *The Triangular Book of the Count of St Germain* God by the name of **AGLA** was responsible for the preservation of Lot and his family from the fire of Sodom and Gomorrah.

Example of AGLA Monogram

Detail showing AGLA monograph

A monograph for AGLA appeared in Stephan Michelspacher's book *Spiegel der Kunst und Natur* (The Mirror of Art and Nature), which was published in Augsburg, 1615.

This was an Alchemical work strongly influenced by Heinrich Cornelius Agrippa's view of the Kabbalah and magic. Adam McLean describes the centre panel as "two circular diagrams with the German GOTT (the name of God) around the outside, and also the Alpha and Omega and the monograph which may be the name of God, Agla."^[2] This represents the beginning - alpha - within the end - omega, the first and last letters of the Greek alphabet. This relates to claim related in the Book of Revelation that Jesus was "the "Alpha and Omega, the beginning and the end, the first and the last" (22.13).
