Al-Qaum

Al-Qaum (Arabic: القوم) was the Nabataean god of war and the night, and guardian of caravans.^[1]

Large numbers of inscriptions bearing his name have been found, and archaeologists believe that he was a major god of the Nabataean pantheon.^[1]

Al-Qaum however also literally translates to 'the people' in formal Arabic, it might just be referring to a group of people at the time as an entity.

A black metal band in Saudi Arabia, **Al-Namrood**, uses this pantheon as inspiration for its music.^[2]
