Jul 24, 2010 - **Anpiel** - angel who protects birds. ... Reply:Arella means Angel in
Hebrew Yes, it is derived from **Hebrew**..the above answers are right.Luck!

Anafiel (Anaphiel, Anpiel) – (“branch of God”). chief of the 8 great angels of the Merkabah; keeper of the keys of the heavenly halls; chief seal bearer, prince of water. When, according to legend, Metatron, angel of the divine face was to be punished, Anafiel was designated by God to flog His favorite angel with 60 lashes of fire. According to 3 Enoch, it was Anafiel (other sources credit Rasuil or Samuil) who bore Enoch to Heaven in the first place, Enoch then being transformed into Metatron. In Hechaloth Rabbati, where Anafiel is compared with the Creator, he is identified as Metatron.
