It was He that enfolded Jesus in His Cosmic Flame at the time of the baptism by John the Baptist, endowing Jesus with His powers. It was His action when the Holy Spirit descended upon the Disciples ten days after Jesus' Ascension; that was the radiation from the Lord Maha Chohan. He enfolded them in His Cosmic Flame which gave to them the assurance, courage, strength and power to carry on the teaching and works of Jesus. "The Comforter" referred to is the Lord Maha Chohan. ## Sanat Kumara

The Ascended Masters have worked with mankind throughout the centuries. Most of the time in the past the Ascended Masters have worked in the background. There were some Ascended Masters who have assisted mankind such as Sanat Kumara. also known in the Bible as the "Ancient of Days", by some He is known as the "Lord of the World".

Sanat Kumara came ages ago to give assistance to the Earth when it would have been dissolved otherwise. He offered His own free will to supply the Light required to sustain the Earth and keep the Earth in the system until enough so mankind could be raised to a point where they could carry the responsibility of emitting sufficient Light.

Sanat Kumara, also called "The Ancient of Days" and "youth of endless summers." From Venus, he has assisted humanity from the lighter realms perhaps longer than any other master. He has also been the

"planetary logos" for Earth, its prime overseer. Sanat Kumara is the Planetary Logos, apparently the greatest of the Avatars. He is the God of this Universe and He oversees ascension initiations in the inner planes. He has an Ascension seat in Shamballa, over Gobi Desert, where you may ask to go in meditation.

Vywamus - the higher self of Sanat Kumara. Vywamus is the higher self of Sanat Kumara. Sanat Kumara is the Master of Shamballa, also known as The Ancient of Days. Vywamus is reported to have had 32 lives in a physical existence in another galaxy, one of which included being a channel. He is very much concerned with the Ascension of planet Earth. Ascension is achieved by increasing the amount of Light and the amount of Love that your cellular structure can hold. This Light and this Love is flowing from the Source.

Saint Germain is the Lord of the Violet Ray  
The Path of The Alchemist/Transformation

Ascended Master Saint Germain's Cosmic Name is "Freedom". He is the Cosmic Father of the people of America. Saint Germain's work for the freedom of mankind began in that civilization seventy thousand years ago; when a whole civilization could have been raised into the Ascension had they continued to give obedience instead of becoming rebellious.

Saint Germain's most recent work with mankind came forth in the 1930's. He worked with Mr. & Mrs. Ballard to establish the focus on the "I AM" Presence. Through the Ballards, Saint Germain and other Ascended Masters gave dictation's. These green covered books became the 'I Am' series.

Earthly incarnations: Francis Bacon, High Priest on Atlantis, Samuel the Prophet , Alban, Roman Soldier, Teacher of Neoplatonists, Merlin, Roger Bacon, Christopher Columbus, Wonderman of Europe . The Count St. Germain, known as the "Wonder Man of Europe" in the 1700's. He looked the same for 100 years, spoke every language, travelled by thought, fed the poor, and worked for peace. He took his body into light (ascended), and now works with humanity mostly from the lighter realms.

Saint Germain is Chohan of the Seventh Ray, the violet ray, of freedom, alchemy, justice, mercy and transmutation. He is the sponsor of the United States of America and the hierarch of the age of Aquarius, who comes bearing the gift of the violet flame for world change. He tutors and initiates souls in mastery of the seat-of-the-soul chakra, preparing them to receive the Holy Spirit's gifts of prophecy and the working of miracles.

Two of his well-known embodiments were Christopher Columbus and Merlin the magician, a spiritual adept who has unfortunately been mythologized. In a series of recent embodiments from the prophet Samuel to Francis Bacon, Saint Germain was the all-pervasive mind, laying the empirical foundation for an age of enlightenment, pushing back the barriers of limitation in the physical and spiritual sciences. As Roger Bacon he directed and inspired devotees of the sacred science, then in his embodiment as Saint Germain, the Wonderman of Europe, he out pictured the quintessence of the alchemists' dream for all to see.

The Ascended Master Saint Germain teaches that the highest alchemy is the transformation of one's human consciousness into the divinity of the Higher Self. He stands ready to assist all souls in this endeavour. He has also said he would release the technology of the Aquarian age when the nations shall have put behind them the destructive uses of science and religion to accept the challenge which lies at the heart of both, which is for man to enter his heart and the nucleus of the atom and to harness from both the unlimited spiritual and physical resources to establish the golden age.

His etheric retreats are located over Transylvania in Romania and Table Mountain in Wyoming.

He wrote in cipher, "I trusteth all to the future and a land that is very far towards the sunset gate....I keep the future ever in my plan, looking for my reward, not to my times and countrymen, but to a people very far off, and an age not like our own, but a second golden age of learning."

Having discovered the continent and encouraged its colonization, he must also insure a proper foundation for the new nation. Saint Germain stood by George Washington throughout the Revolution and during the winter at Valley Forge. His past efforts in initiating the society of Freemasons had enlivened many of the key figures of the Revolution. General Washington, Alexander Hamilton, James Madison, John Hancock, Benjamin Franklin and as many as fifty-three out of the fifty-six signers of the Declaration of Independence were all members of the Masonic order, whose principles had guided them in founding the new nation. Further, Saint Germain called for the signing of the Declaration of Independence, directed the writing of the Constitution and anointed Washington first President of the United States.

America was secured as the land of opportunity and Saint Germain devoted himself to the raising of the consciousness of her people.

Our beloved Saint Germain and his twin flame, the Ascended Lady Master Portia.
