Related figures in other tribes: [Rabbit-Boy](#) (Sioux)

Katoyis, the Blood Clot Boy, is a mythical Blackfoot hero who has many adventures slaying monsters and wicked people. Katoyis got his name (which literally means a clot of blood) because of his magical origin, springing from a blood-clot left over after a stingy hunter denied meat to his hungry parents-in-law. From then on, Blood Clot Boy was always pursuing justice and standing up for the weak.
