

Alexander Dugin: The Eurasian Oracle

by [Dan Michaels](#)

As a follower of the Rene Guenon Traditionalist School, Dugin claims to be opposed to anti-Semitism, perhaps due to sharing a common ideological basis with the Jews in their Cabbala. He praises Gershom Scholem as the greatest Traditionalist thinker. Dugin on anti-Semitism: "I just cannot believe it. Some imaginary 'masons', the Jews behind every single thing, paranoia, mania of being constantly followed "(see [here](#)).
