Royal Asiatic Society of Great Britain and Ireland - 1905 - Asia

The Sanskrit form of the name may have been either **Dundubhisvara**, 'having a voice sounding like a drum,' which occurs as a proper name in the Lalitavistara, ...

An eastern paradise is the pure land of Bhaishajua-guru Buddha (Medicine Guru Buddha). The Abhirati paradise of Buddha Akshobhya is also in the east. In the south is the paradise of buddha Ratnaketu, in the north that of Buddha Dundubhishvara. A new pure land will be created by the future buddha Maitreya, who presently still dwells in the Tushita Heaven.
