# Elisheba

From Wikipedia, the free encyclopedia  
(Redirected from Elisheva)

**Elisheba**, also spelled Elisheva (/əˈlɪʃɪbə/; אֵלִישֶׁבַע in Hebrew) in the Hebrew Bible was the wife of Aaron the ancestor of the Jewish high priests.<sup>[1]</sup>

According to later Jewish tradition, she is buried in the Tomb of the Matriarchs in Tiberias.

She is a daughter of Amminadab, and a sister of Nahshon, from the Tribe of Judah (Exodus 6:23 (<http://tools.wmflabs.org/bibleversefinder/?book=Exodus&verse=6:23&src=>)).<sup>[2]</sup>

Exodus 6:23 "And Aaron took him Elisheba, the daughter of Amminadab, the sister of Nahshon, to wife; and she bare him Nadab and Abihu, Eleazar and Ithamar." American Standard Version 1901

In Hebrew names, Eli means "my God" and Sheba means "oath", so Eli-sheba is *oath of my God* or "God is her oath"<sup>[3]</sup> ("Sheva" is also the cardinal number *seven* in Hebrew.)<sup>[4]</sup>

The English name 'Elizabeth' is derived from Elisheba.

# Isabel

From Wikipedia, the free encyclopedia

**Isabel** (/ˈɪz.ə.bɛl/<sup>[1]</sup>) is a Romance-language given name. It is related to *Isabelle* (French, Dutch, German, Catalan, Provençal), *Isabella* (Italian), and the English *Elizabeth*.

## Etymology

This set of names is a southwestern European variant of the Hebrew name *Elisheva*, also represented in English and other western languages as *Elizabeth*. It first appeared in medieval Provençal as *Elisabel*. Guido Gómez de Silva states that these names are derived from the Latin and Greek renderings of the Hebrew name based on both etymological and contextual evidence (the use of Isabel as a translation of the name of the mother of John the Baptist).<sup>[2]</sup>

The variant form originated through the loss of the first syllable and the replacement of final /t/ with /l/ (as /t/ does not appear word-finally in standard Spanish).<sup>[3]</sup> Both forms of the name exist concurrently in Italian (*Isabella* and *Elisabetta*) and French (*Isabelle* and *Élisabeth*). Both names have been borrowed into multiple other languages, giving rise to various local forms.

### Isabel

Isabella the Catholic of Castile (1451–1504) the first Spanish queen regnant and a key character in the Reconquista, the Spanish Inquisition, and Christopher Columbus' discovery of America

**Gender** Female

### Origin

**Word/name** Hebrew via Greek and Latin.

**Meaning** *"My God is an oath"*  
*"My God is abundance"*  
(from the Hebrew "Elisheba")

### Other names

**Related names** "Elisheba" & "Elisheva" (Hebrew), "Elisabel" (Medieval Latin), **Isabell** & "'Ysabel'" (Spanish), **Isabella** (Italian), **Isabelle** (French, Dutch, German), **Izabela**, **Isobel** & "Ishbel" (Scots Gaelic), **Ysabeau**, **Elizabeth** (English)
