# ART WITH STARFIELDS

ART, DESIGN, PAINTING, VECTOR ILLUSTRATIONS, PHOTOGRAPHY, SCULPTURE, ART DOLLS & OTHER ART PROJECTS CREATED BY STARFIELDS.

## WHAT IS ART?

The StarFields definition of art and answer to the question, "What is art?"

JULY 1, 2009

## Real Fairy Photographs

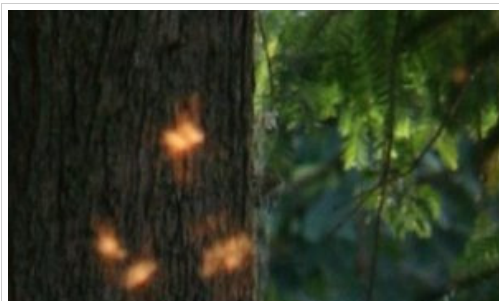

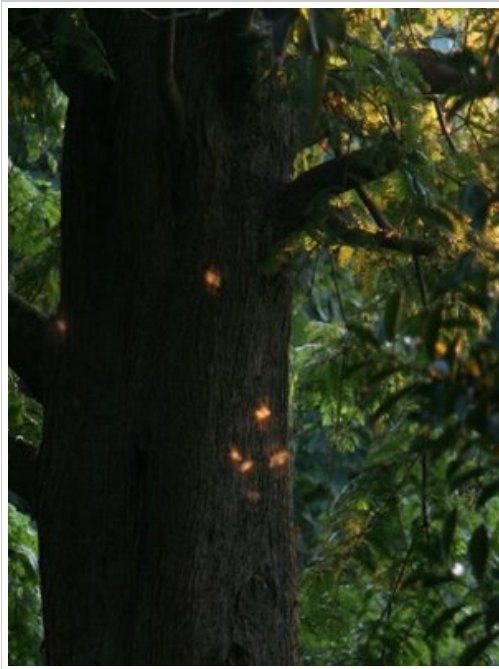

I saw this in my garden and got the camera out.

These fairy photographs have not been altered, enhanced or photoshopped in any way.  
I was frankly amazed they came out!

Fairies for real?

You be the judge of that!

:-)

## WELCOME!

Art is being human.
