 believing is only the 1st step, even demons believe & they can't get saved, you get saved when you accept Jesus into your heart & allow him to reveal himself to you. One day everyone will be before his throne, there everyone will be a believer but it'll be too late, it's better to know him now as your savior, & not then as your judge.

The ancient gods were all fallen angles that appointed themselves gods over mankind corrupting the earth and spreading their angelic knowledge of the universe, scorcery, technology and witchcraft. They are evil in nature and want to take as many with them that are willig to go, to hades!

But just as Lucifer can become an angel of light, we also have to be aware that these beings that will claim to be Alien/ ET's will be mastiers of deceit. They will try to fool mankind into thinking that they are our creators. The Mayan temple have produced a tablet called "Tortuguero Monument 6" that falt out states that on Dec. 21, 2012 the Nine gods Will Descend". I believe that they will make themselves known to mankind and will claim to be the Annunaki, which is all ancient gods were.

Ya know.... I have done some research and there is a lot fo Evidence that these visitations may not be from beings of another dimension but our own as I only believe in the Physical and Spiritual realms... These beings may very well be the Decndants of the Ancient Offspring of the unholy union between the "Sons of God and Daughters of Men" stated in Genesis 6. The Nephilim. I believe that there are no such things as Aliens/ET's. That they are Nephilim Decendants demonic in Spirit! Its a Coverup

There has been some research done to indicate that ETs are interdimensional beings i.e. demons, fallen angels or possibly God's angels
