Hopi Elders Message - This Is The Hour & There Are Things To Be Considered

***"You have been telling people that this is the eleventh hour.
Now you must go back and tell people that this is the hour!***

And there are things to be considered:

Where are you living?

What are you doing?

What are your relationships?

Are you in right relation?

Where is your water?

Know your Garden.

It is time to speak your truth.

Create your community.

Be good to yourself.

And not look outside of yourself for a leader.

This could be a good time!

There is a river flowing very fast.

It is so great and fast that there are those who will be afraid.

They will hold on to the shore.

***They will feel that they are being torn apart, and they will
suffer greatly.***

Know that the river has its destination.

***The elders say that we must let go of the shore,
push off into the middle of the river,***

**Love - A poem by
Sri Chinmoy**

No remedy for
black hate? Who
says? Just love
And love more,

**keep our eyes open,
and our heads above the water.
See who is in there with you and celebrate.
At this time we are to take nothing personally,
least of all, ourselves.
For the moment that we do,
our spiritual growth comes to a halt.
The time of the lone wolf is over.
Gather yourselves!
Banish the word struggle from your attitude and your
vocabulary.
All that we do now must be done in a sacred manner and in
celebration.
We are the ones that we have been waiting for.**

- The Elders, Oraibi, Arizona Hopi Nation -

Note: My warmest & kindest thanks to Tom and the Hopi People for the beautiful Kachina.
