

Mr. Irmansyah Effendi, Msc

Mr. Irmansyah Effendi is the founder of the powerful spiritual technique of Reiki TUMMO®. He holds Bachelor of Science in Computer Science and Mathematics at the age of 20 from California State University, USA, with Magna Cum Laude and Honor. He holds Master of Science in Artificial Intelligence at the age of 21 from the same university.

His spiritual journey began at the age of 18. At the age of 22 his Kundalini was awakened spontaneously after practicing intensive daily meditation. He learnt Usui Reiki from an American Reiki Master up to Master level. Then he learnt Tibetan Reiki from a wanderer Tibetan priest up to master level.

He has never been to India, Tibet or other special places to learn spirituality. Most of his spiritual knowledge and techniques (include Reiki Tummo and Shing Chi) were obtained when his Kundalini is flowing fully to his crown chakra. This achievement opens the cosmic stage and brings him to meet many spiritual teachers non-physically. This is a different type of opening than what is commonly referred to as channeling.

Mr. Effendi is the author of books about Reiki, Kundalini, Shing Chi, Reiki Tummo and other spiritual topics. He is the founder of

[Padmacahaya](#), an international organization for spiritual advancement. He is also the founder of [Padmajaya](#), Padmasejati and Padmasemesta foundations. Thousands of his students around the world have experienced gentle Kundalini awakening through Reiki Tummo technique blissfully. He can be reached via his e-mail: ieffendi at iinet.net.au
