 Sunday, April 15, 2012

Angels are like children who like nice places and good feelings. On the basis of this, I will show you how to contact them and enjoy all the gifts they can give you.

All without exception have an angel to turn (sometimes presented in our dreams ) to somehow be able to help you solve problems, and comfort with you forever.

Angels are loving the smells, the colors and light , like the

environments full of harmony and away when negative situations, shadows and darkness. It should also be noted that each sign has its own angel, but you can call anyone, the only important thing is to have you lot confidence to grant him the request.

Then I'll tell you what each angel gives:

- Anael : It will give comfort and harmony in love.
- Rafael : Clarify your mind and facilitate communication with others.
- Camael : The energy and help you realize your plans.
- Gabriel : It gives harmony to your family and cares for children.
- Miguel : This protects you from lawsuits and disputes with others.
- Zadkiel : This relates to all the mystical, religious and healing of diseases.
- Cassiel : It will help tackle economic problems.
- Orifiel : It will help in the changes that you experience in life.
- Asariel : Solve problems between brothers and give his family well.

To contact them you must choose a corner of his house, the one you like, in that place made an altar where you place the four natural elements:

- Fire : a candle which will write the name of the angel.
- Air : an incense scent that you prefer.
- Water : a glass of water.
- Earth : a rock.

Begin your ritual lighting the candle and incense, then call the angel by name and ask you what you want. It is very important that you speak with love and faith. When finished let the candle and incense burning and do not forget to turn it off and give thanks before dark.

Hi Kimmy, good to see your back to blogging, I hope your feeling good. This is great information, I believe in calling on the Angels when we are in need of them, but I have never heard of this ritual, good to know!

Love and light,  
Janet :)

The main event has never been the manifestation; the main event has always been the way you feel moment by moment, because that's what life is.

Diet**

### Words Words Words

Words! They are all around me! I see them. I use them. Harsh words, soothing words, biting words; words that give pain and sorrow; words that give joy and pleasure. They are vital to communication. When words are spoken there are reactions, negative or positive. Either thoughts are triggered or emotions fired or actions performed. Words colour our behaviour. And how lovely it is to hear words that are calm and free from rancour and aggression. To hear words that lift the soul and leave it with renewed vigour. Such words are the sparks of purity. It is important to remember that my speech indicates what is in my mind. As the thinking, so the words uttered. Mental calmness makes my words calm. A pure mind makes for pure words. It is said that speech may exalt someone to kingship or send him to the gallows. I should never let myself indulge in false, bitter and vicious speech. My words should reflect my true, inner nature, that of purity and peace. Words, once spoken, can never be recalled. They reverberate all around, beyond our control. Today, as I utter words, what effect will they have on those who hear them? Will they be the words that are poisonous and cause pain? Or will my tongue be like that of the

nightingale, sweet and so, so very soothing and lovely to the ear?

Life is about trusting your feelings and taking chances, losing and finding happiness, learning from the past, and realizing people change...

People are not disturbed by things, but by the view they take of them.

"When you change the way you look at things , the things you look at change ."

Some times letting go of that which no-longer serves us not only heals us but opens doors to that which awaits. To be able to move forward, you must learn to simply let go of the past and surrender. To clearly focus will help us clear some of the resistance caused by the fear and uncertainty around our ability to survive, to weather the storm of life's lessons.

Matthew 5:16 In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.

# Camael

---

**Camael** (Latin *Camael*, meaning "One who sees God", also known as Kamuel, Khamael, Chamuel, Camiel or Camniel) is an angel in Christian mythology and angelology, and is often included in lists as being one of the seven archangels. He is claimed to be the leader of the forces that expelled Adam and Eve from the Garden of Eden holding a flaming sword. Camael is not recognised by the Catholic Church due to the Vatican's decision to ban the veneration of angels not mentioned in the Bible.<sup>[1]</sup>
