LEONORA

Italian short form of **ELEANOR**

http://www.behindthename.com/name/leonora

ELEANOR

From the Old French form of the Occitan name *Aliénor*. It was first borne by the influential Eleanor of Aquitaine (12th century), who was the queen of Louis VII, the king of France, and later Henry II, the king of England. She was named *Aenor* after her mother, and was called by the Occitan phrase *alia Aenor* "the other <u>AENOR</u>" in order to distinguish her from her mother.
