Chohan of the Seventh Ray - It was He that enfolded Jesus in His

Cosmic Flame at the time of the baptism by John the Baptist, endowing Jesus with His powers. It was His action when the Holy Spirit descended upon the Disciples ten days after Jesus' Ascension; that was the radiation from the Lord Maha Chohan. He enfolded them in His Cosmic Flame which gave to them the assurance, courage, strength and power to carry on the teaching and works of Jesus. "The Comforter" referred to is the Lord Maha Chohan. The first Maha Chohan Who came with the first root race in the beginning established the Flame of the Holy Spirit and the Comfort Flame here on Earth. The three Maha Chohans of the first root races have each gone on with Their race. Feminine Beings have held this position. The Maha Chohan is at the head of the Elemental kingdom; and is the authority over manifestations in nature. He draws and supplies the energy used in all nature and by mankind. He is the magnet to draw that power from the Sun. He directs the various forms of culture and civilizations through the minds of embodied individuals so as to unfold and develop according to the divine plan. The Maha Chohan is the One Who gives the first breath to every new born child; He also takes the last breath of every individual as he passes on. It is said that the great Ascended Being, who is now the Lord MAHA CHOCHAN, was embodied as HOMER, the blind poet. [Maha Chohan](#)
