New Freedom

Something For Everyone

[received by Email](#) on April 30, 2009

If the people don't wake up, America will be turned into a socialized Nazi-like concentration camp. [The elite class](#) has totally hijacked America for decades now and is preparing to exterminate hundreds of millions of people all over the world...

It's everyone's responsibility to inform each other that America is going to have a *2nd American Revolution* soon, and the more people involved in getting back to a small constitutional federal government, the more peaceful it will be for everyone. This document outlines the problem accurate and a positive good solution to this whole mess we are now all in.

Please be a true blue good person and stand for goodness, honesty, justice, peace, and prosperity.

Universal People's Statement of Freedom

from [Scribd](#) Website

Obama Deception Supplement Booklet (read far below) about the new [Independent Media Film exposing the Obama Administration](#) as the fraud it is against the working class in America (and worldwide as well), for the benefit of [the world's power elite class](#).

Please read, check the facts, see [theobamadeception.net](#), research yourself, and think, and then download this document

or share [this Scribd link](#) with all your family and friends and peers and so on; everyone.

The people need to together rise up to restore constitutional government. The states need to come together to abolish the current federal government and restore constitutional government and our rights and freedoms. Currently as of the spring of 2009 this criminal government is planning not only the continued and [current economic crisis](#) but also [biological warfare](#) and genocide, mostly likely through forced bird-flu [vaccinations](#) of the American and world's people in 2009 - as bad as that sounds.

Research for yourself.

Most importantly, help educate others; because the current global criminal elite-run system and their mass media networks are not going to inform the people of this megaproblem as it continues. It's up to us to print this out and show everyone that the puppet of the elite president Obama is not the messiah of the world, but an astonishing deceiver of the world's common people.

Please has a good read to realize this can not be made up as fiction, but it actually

factual and true information. This is not anyone's opinion, it is really what is still going on in the world today, and there is no time to waste in educating each other, everyone, from coast to coast, around the world, about this.

Only through awareness, or an act of *God*, will the elite be stopped from their plans for more war, more economic depression, and world genocide and world government (knows to them as their "[New World Order](#)" - when it is actually the *Old World Order/Monarchy* still in power and causing all these large-scale problems in the world today.)

It's far better for *We the People* to request the military to round up the global elite criminal terrorists than to wait for the elite to have the hired military round up and exterminate the middle class of America in successive waves.

Obama Deception Supplement Booklet
Lovers of Freedom have continuously struggled against the forces of tyrannical governments for multitudes of centuries in the ever deceptive and animated contest between the spirit of enslavement

versus the spirit of liberty.

When in the course of world events it becomes clear government has become intentionally deceitful, destructive, and murderous - using any form of falsehood, manipulation of media, or theater as cover for an array of crimes - as well as for the next form of government, it is a matter of self-defense for the people of the nation and the world to throw off a corrupt system of government enslavement; and with expediency set then widely announce another special date, apart from July 4th, that will in the future echo worldly celebrations of the cause of liberty.

The people should subsequently convene in large numbers on that date and also through the public global computing system of the time, for a convention of the people.

The result of the open convention is to have authored, selected, and begun the implementation of a more protective system of shared rights, law, governance, and justice for the current and future generations; of any nation; for the collective happiness of all. The laws of a Republic should be written clearly in the form of a constitution.

However when once trusted political figures individually or as a whole concert of corruption, or the distribution of wealth or establishment system as a

whole, betrays the trust of the citizenry by operating outside of the rules and constraints listed in such a constitution, then the citizens of the broken republic should take the stated recommendations of their previous declaration of independence & constitution, along with methods of self defense, back into their own hands.

More than responsibility, it is the most sacred duty of the spirit of liberty and justice for all.

By the year 2008, through a persistent stream of offensive actions, including [9-11-2001](#), the organization widely known as the “United States Government” has declared itself murderous; while bankrupting the working class of America and instituting fascist rule. It has become evident to multitudes of people of every nation that the current government is allied with a cabal of corrupt [international banking](#), war-mongering, so-called “[freemasonic](#)”, “[illuminati](#)” or “[new world order](#)”, interests.

Therefore the “United States Government” has severely turned away from serving its sacred cause of freedom!

Therefore the “United States Government” has failed and is de facto illegitimate as of the time of the announcement of this declaration at the start of the

new people's convention. Revolution is the only possible cure for fascism; and it has already gone beyond the need for a once independent people to have a fresh start! The people's convention date will be decided by the truth movement.

Consequently, All of its previous authority over the citizenry is thereby removed by this declaration; and All freemasonic governments worldwide should be dissolved entirely by the great many world's people. All existing mob-ridden local governments over the individual and the municipalities should be fully dismantled, re-instituted, and rebooted with a fully transparent, efficient, protective, and accountable system model the people's convention democratically selects.

All civil rights & laws should be voted for in a true 1-person-1-vote democratic and transparent form - as we always carry a vital responsibility to together choose what has control over our lives and what would ensure us maximum safety & happiness.

This *progressive change of government* should be enabled and empowered by the entirety of all national and returning armed forces together with all non-terminated local police and the widespread armed citizenry. No more system tyranny.

As we acknowledge this world-wide published

declaration in multitudes, we pledge allegiance to each other.

We are firm in our disassociation from the previous “United States Government” or any corrupt power.

In unison **We** proclaim:

- to disallow that organization to silence us
- to control the mass media or the internet
- to suppress us
- to spray chemicals upon or conduct any experiments on us
- to detain us
- to imprison us
- to terrorize nor genocide us
- to tax us
- to bill us
- to create dollars or borrow credit, nor counterfeit paper money
- to legislate for us nor to adjudicate any proceedings
- to direct our armed forces
- to make war, or make agreements in our name, nationally or internationally

We are fully aware of our *God-given rights* including dissent.

Addendum

Initial action list for the people's convention (initial recommended date: July 5th, 2009; place: St. Louis, MO)

- Withdrawing our businesses and franchises from federal or state-wide taxation of the “United States Government” and its equally corrupt mother companies, the [United Nations](#), [International Monetary Fund](#), and [World Bank](#).
- Create a new fully accountable system of money and taxation commissioned by the improved freshly-chartered citizen's government to:
 - pay off all national debts
 - redistribute wealth fairly
 - fund the new government
 - reinvigorate the economy
- Build a beautiful new national capitol city designed by non-freemasonic architects and constructed by the many hands of the nation within a large, and voted-upon, national forest or parkland. A new capitol is essential to mark the change in thinking.
- Close and refurbish [Washington DC](#), and possibly convert the former capitol into a city-wide orphanage and school campus for the nation's underprivileged

citizen children; dedicated in honor of patriots who lived bravely before us without shame.

- Establish a new passport identification, numbered as chronologically signed, and imprinted inside *a new & improved Bill of Rights* - to be made available for all listed and future citizen signatories of this declaration of freedom from system tyranny statement; that anyone and everyone around the world is invited to recognize and support together forevermore. (All inmates individually reviewed for possible release.)
- Project Fresh Start – Organic Home Gardening Incentive Program, using a portion of elite reclaimed wealth, *to finally solve world hunger.*

Democracy arises out of the notion that those who are equal in any respect are equal in all respects; because men are equally free, they claim to be absolutely equal. Republics decline into democracies and democracies degenerate into

despotisms.

Aristotle

If the world knew how to use freedom without abusing it, tyranny would not exist.

Tehyi Hsieh

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever invented. Banking was conceived in inequity and born in sin... Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again... Take this great power away from them, or if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit.

Sir Joseph Stamp

former president of the Bank of England

Yes, we did produce a near perfect Republic. But will they keep it, or will they, in the enjoyment of plenty, lose the memory of freedom? Material abundance without character is the surest way to destruction.

Thomas Jefferson

To me the sole hope of human salvation lies

in teaching.
George Bernard Shaw

The empires of the future are the empires of
the mind.
Winston Churchill

“I have unwittingly destroyed my country.”
Woodrow Wilson
After signing the Federal Reserve Act in 1913

The basic idea behind teaching is to teach
people what they need to know.
Carl Rogers

Awaken people’s curiosity. It is enough to
open minds, do not overload them. Put there
just a spark.
Anatole France

Education... beyond all other devices of
human origin, is a great equalizer of
conditions of men - the balance wheel of the
social machinery... It does better than to
disarm the poor of their hostility toward the
rich; it prevents being poor.
Horace Mann

There is no education like adversity.
Benjamin Disraeli

It is the supreme art of the teacher to

awaken joy [life, liberty, happiness...] in creative expression and knowledge.

Albert Einstein

We think of the effective teachers we have had over the years with a sense of recognition, but those who have touched our humanity we remember with a deep sense of gratitude.

Soldiers Code

1. I am an American soldier - A protector of the citizenry, sworn to uphold the Constitution of the United States.
2. I will treat others with dignity and respect and expect others to do the same.
3. I will honor my country and my fellow soldiers; those who are not traitors to the Bill of Rights & Constitution.
4. I am proud of my country and its flag. I wish to look back and say that I am proud to have served my fellow citizens as a soldier.
5. Lastly, no matter what the situation I am in, I will never do anything for pleasure, profit, or personal safety which would disgrace my country, my uniform, my unit, my high school class, and the people of my country.
