# Patricia

## 1 English

### 1.1 Etymology

From Latin *patricia* (“noble”); later also seen as the feminine form of the saint’s name **Patrick**.

### 1.2 Pronunciation

- IPA<sup>(key)</sup>: /pəˈtɹɪʃə/

### 1.3 Proper noun

Patricia

1. A female given name.

- **1904** Carolyn Wells, *Patty at Home*, BiblioBazaar ,LLC( 2007), ISBN 1434621162, page 36:

- - - Our house is not of the era of Queen Isabella, but of the Princess **Patricia**.”

“That sounds like Aunt Isabel. They always call me **Patricia** there. Don't you think, papa, now that I'm getting so grown up, I ought to be called **Patricia**? Patty is such a baby name.”

“Patty is good enough for me,” said Mr. Fairfield. “If you want to be called **Patricia**, you must get somebody else to do it. I dare say you could hire somebody for a small sum per week to call you **Patricia** for a given number of times every day.”

“Now, you're making fun of me, papa; but I do want to grow up dignified, and not be a silly schoolgirl all my life.”

- **1991** Joyce Carol Oates, *Heat And Other Stories*, Dutton , ISBN 0525933301:

“Trix” was a derivation of Trish, our mother’s girlhood name, or cognomen, as she called it; Trish was itself a derivation of **Patricia**. Trix disliked her original name because she thought it prissy and old-fashioned, but she didn't much like “Trix” either.

### 1.3.1 Usage notes

- The name was formerly rare in English, but became popular in the 20th century, partly due to Princess Patricia (1886-1974), a granddaughter of Queen Victoria, so named since she was born on St. Patrick’s day.

### 1.3.2 Related terms

- Pat, Patsy, Patti, Patty, Tricia, Trish, Trisha

### 1.3.3 Translations

female given name

## 2 Danish
