**Description:**

You have seen this place before, those of you who have been here for a while....

But NOT LIKE THIS.

I have located the ORIGINAL NASA photos from a few years ago, the ones released BEFORE the doctored images became widely distributed...

They are not even CLOSE to being the same, folks...

Not even close....

NOW you will begin to see WHY they altered them.

Really? May I suggest laser correction and perhaps a good shrink? Clearly people slap anything on here and discredit this place... Not that it had much to go on to begin with but if I were the owner of this place, I'd be mindful of the level of stupidity on this site. Just saying... it's not quite AboveTopSecret.com, but never the less, it has more dumb crap than they do.
