

Rain of Blessings

Rabbi Miles Krassen, Ph.D.

With support from the Classical Greek philosophic tradition, insights of Christian and Muslim mystics, Native wisdom, and the great Yoga traditions of Asia, Rain of Blessings focuses on the inspired contributions of the Jewish Mystical Tradition. Our goal is to identify and make more widely available deep insights from Kabbalah and, especially, the transformative, non-dual teachings of the Ba'al Shem Tov, Founder of East European Hasidism, and his disciples.

Reb Miles' interest in mysticism and spirituality dates back to the 1950s, when he began studying Yoga, Buddhism, and Taoism. In the 1960s, he became interested in Western Wisdom traditions dating back to Plato, the teachings of Gurdjieff, Sufism, Christian Mysticism, and later, Tibetan Buddhism and Advaita Vedanta.
