Dr. Richard J. Boylan is a Ph.D. behavioral scientist, anthropologist, University associate professor (emeritus), certified clinical hypnotherapist, consultant, and researcher. Dr. Boylan is a consultant to Star Kids and Star Seeds seeking to understand their origin, identity and mission, so as to attain optimal awareness and clarity of identity, inner growth, spiritual development, and future path.

His career has spanned four decades of service as a psychologist, social worker, hypnotherapist, clergyman (retired), educator, and space anthropologist. Dr. Boylan has served as a Lecturer at California State University, Sacramento, University of California, Davis and several other

Universities. Since 1989 Dr. Boylan has conducted research into human encounters with the Star Visitors. This has led to his current focus, creation of the Star Kids Project, Ltd , and working with these hybrid children with advanced abilities and their families.

He has presented papers on his research at, among other conferences, the 1992 M.I.T. Abduction Study Conference, and the 1995 Cosmic Cultures International Conference at Washington, DC. He is author of three books, Close Extraterrestrial Encounters, Labored Journey to the Stars, and Project Epiphany. Dr. Boylan is President of the Star Kids Project, Ltd, a non-profit educational and training program for young and mature Star Seeds. He is also President of the Academy of Clinical Close Encounter Therapists (ACCET) Inc., a nonprofit educational and research organization. He has conducted numerous workshops for mental health professionals on the specialized counseling for experiencers of Star Visitor contact.
