

Strange Sounds Heard Worldwide in 2012: Trumpets of Revelation? [video]

[The Truther Girls](#)

January 18, 2012

In the past few weeks and months, people all over the world have been reporting hearing strange sounds that are like groaning, loud trumpets or voices coming out of nowhere. It could be a hoax or a partial hoax, but i think that at least most of it is real. I would narrow down the possible source two one of two things: either a natural event, possibly having to do with 2012 galactic changes, or the testing of some secret technology by the government or military. What do you think it could be? Nexus forums: videos of strange sounds and comments in forum about hearing them in Montreal
