Thanks for your question this is write there are many fraud spiritual guider / Peer or Murshid and their business is only to get and earn money and make no of moreeds, Hazrat Sultan Bahu ® have discouraged such person in his books and Hazrat Sultan Bahu ® also tell about them and their signs as well as signs of genuine Faqeer Peer

And Hazrat Sultan Bahu ® said “it is wrong to say that in present time there is no genuine Faqeer Peer in world and always in all world time genuine Faqeer Peer present”

Now your question: How could you can find True Faqeer:-

So please note with the thought and confidence read Noor-ul-Huda Qalan Book only of our web day and night again and again when you complete all pages reading then start same reading again and again until you see ASHARA /sign from Hazrat Sultan Bahu ® about your bait of genuine Faqeer Peer bait advise by Hazrat Sultan Bahu ® in your dream this will not be in short time and this will take time in applications and result but it depends on your deep interest and shooq and ishtaq then you will get

We advise read Hazrat Sultan Bahu ® Books and get direct faaz

from Hazrat Sultan Bahu ® but only translated Dr. K. B. Nseem

As Salam Alikum

Dear Brother;

Is there any way written by Hadrat Bahu (RA) that a person get
biat directly from hadrat sultan bahu (ra) ?

If there is any procedure or method so tell me,

Jazak Allah Khaira

Please read Book [Noor-ul-Had Qalan](#) ... most of time in day with willing to be Muried to Hazrat Sultan Bahu ® or any live Sarvira Qadri Murshid, the book will give you and show you the correct Peer Murshid in your dream and you will become Murred (but it will take time to come on in your dream)
