

## **Kṛṣṇā as the Supreme Personality of the Godhead**

---

**When the Lord descends, the incarnation emanates from Viṣṇu. Viṣṇu is the original cause of material creation, and from Him Garbhodakaśāyī-Viṣṇu (the Viṣṇu who presides over universes) expands, and then Kṣīrodakaśāyī-Viṣṇu (the Viṣṇu who manifests universes). Generally, all the incarnations appearing within this material universe are plenary expansions from Kṣīrodakaśāyī-Viṣṇu. Therefore, the business of minimizing the overload of sinful activities on this earth does not belong to the Supreme Personality of Godhead, Kṛṣṇā Himself. But when Kṛṣṇā appears, all the Viṣṇu expansions also join with Him.**
