## Surya

Also from Sirius comes Surya, a cosmic being who wields the tremendous power of the God Star on behalf of the evolutions of earth. His flame is an intense blue tinged with white. Surya has been venerated in the Hindu tradition as the Sun God, and his presence is invoked through the Gayatri mantra. Surya is traditionally depicted seated on a lotus in a golden chariot drawn by seven horses, by which he crosses the sky. He is very much involved with Jesus in the judgment of the fallen angels and can be called upon for any problem that seems insurmountable. Surya is also said to be the Father of [Vaivasvata Manu](#).
