

## **Tasawwur-i Shaykh: Spiritual Conception of the Shaykh**

---

**With the intention to spiritually acquire the Shaykh's blessings in solitude as though one was in his physical presence, for the spiritual realm and its attainment knows no bounds.**

**Drenched in thy love ; ablution with thy perspiration I conceive,  
Dust of thy feet blessed; Madinat-un-Nabi fragrance I conceive,  
Absorbed in thy thought; illustration with thy countenance I conceive,  
And curls of thy hair dark; night encompassed veil I conceive,  
Radiance in thy facet; illumined with thy faith I conceive,  
Rays of thy smiles; stars array retrospect I conceive,  
Nur of thy Allah Consummate Wise; with thy direction descends I conceive,  
Succession of thy association noble; of Madina, Baghdad, Kichhochi I  
conceive,  
Saturated in love Prophetic; Prophet's\* adoration with thy eulogy I  
conceive,  
Fervour of thy expressions devout; vocabulary reverent of Habib I conceive,  
Wisdom in thy knowledge; guidance with thy sanction God-willing I  
conceive,  
Custody of thy heart subtle; compelled inborn nature I conceive,  
Engrossed in thy dhikr; Madina-sanctified with thy deliberation I conceive,  
Intoxication of thy sight entranced; Green Dome calling I conceive,  
Sincerity in thy prayer; approval warranted with thy mediation I conceive,  
Success of thy fulfillment wise; Sainly advocacy endorsed I conceive,  
Sacrificed in thy humility; martyrs zealous with thy armour I conceive,  
Lying in thy embrace gracious; this world the hereafter I conceive,  
Conveyed in thy care; recitals sacred with thy reach I conceive,**

**Nurture of thy disciple feeble; thy means complete O Shaykh I conceive!**
