

The Underground Cities and Phil Schneider!

Around the world there is growing minority that are comprehending the sinister elements of the [New World Order](#) that includes the highly secretive Underground military/alien city/bases around the world. [Alien collaboration](#) begin thousands of years ago with humans; however, after world war two, and at the beginning of the new Israeli nation, alien involvement predominates prior participation because of the [time table](#) of the Antichrist. Predominately, direct alien involvement began with the United States in 1947.

Belief in a subterranean world has been handed down as myth, or legend across the generations of the world. Some of these stories date back to ancient times and tell tales of fantastic flora and fauna that can be found in the caverns of ancient races. Socrates spoke of huge hollows within

the Earth which are inhabited and vast caverns which rivers flow. Within the area of [Cappadocia](#) Turkey, the inhabitants of the Byzantine era built underground cities to survive against warring invaders....

The federal agency known as FEMA (Federal Emergency Management Agency) is propagandized as being an emergency relief agency, whose primary responsibilities are to assist the citizens of America during times of crises, such as war or natural disasters (hurricanes, tornadoes, floods, droughts, etc.). And, while this scenario is partially true, it is by no means the primary responsibility of this powerful arm of America's secret government.

While the administrative headquarters of FEMA is located in Atlanta, Georgia and various branch offices across America, the tactical headquarters are located in a gigantic [underground facility](#) near Bluemont Virginia. This site is said to be called [Mt. Weather](#), and is referred as the Western Virginia Office of Controlled Conflict Operations. Mt. Weather is said to be the main hub of a network of about 100 other underground facilities! Connector routes to and fro allow for quick relocation of personnel and "residents" of the New World Order Underworld....

Phil [Schneider] loved his country and supported the [patriot movement](#) that reveals his unawareness that the entire system is dominated by the demonic lower entities. Yet, the information revealed generated a major threat against the darkness that motivated federal agents to murder Phil Schneider....

... The teaching that the alien agenda is to genocide 90% of humans within the next twenty years is a deception. The [lower entities](#) have pursued powerful controlling deception for thousands of years and desire to ensnare every spirit/soul to use as host bodies while the individual is under complete mind control. Additionally, the goal of the entities is to control their chipped human slaves for negative emotional energy. The genocide will be only the people who oppose the New World Order, and all individuals that are disposed to truth, love, and light....

During the New World Order, which will be activated on [12/21/2012](#), the elite will seek “safety” underground and will attempt to draw their deluded slaves down-under. Anybody that enters the underworld of the New World Order will be a vaccinate chipped human slave.
