

The UR (Universal Religion) of José Argüelles

The fulcrum and most likely the climax of the biosphere-noosphere transition and the epochal shift into a new dimension of reality, the consciously activated Noosphere, has been linked to a specific date, December 21, 2012 (12/21/12).

Since I introduced the date with the publication of the book, *The Mayan Factor*, in 1987, fascination with its meaning—the end of the 5,125 year “Great Cycle,” a measure of one of the calendars of the Classic Maya civilization of Central America—has grown exponentially.

According to the time science of the ancient Maya history is shaped by a galactic beam that Earth has been transiting for over 5,100 years....

... December 21, 2012 marks the conclusion of the passage of our solar system through this galactic synchronization beam. José Argüelles, [*2012 – A New Beginning*](#). Retrieved on March 10, 2012.

... they [a group of indigenous Mayan elders in Teotihuacan, Mexico] took me up to the top of the Pyramid of the Sun and gave me this really incredible-looking staff with an obsidian-tipped knife on it and an onyx sphere at the other end of it, and all this other stuff. They said, “You’re the Closer of the Cycle” [Valum Votan].

José Argüelles quoted by Carol Hiltner, [*José Argüelles and the Great Calendar Change*](#). Retrieved on March 10, 2012.

I am a plain messenger. I foretell UR [Universal Religion], the UR that follows the great change. Life is not safe. Security is only with God who is One. The great change will bring a new Heaven and a New Earth. In UR, which is the Dominion of Time, there will be no trace left of the world that preceded the great change. This is the divine plan for a divine planet, the coming of the Earth Wizards.

As Valum Votan, I am closer of the cycle. What does this mean? I complete the prophecy cycle of Pacal Votan and Quetzalcoatl which defines the year 2012 as the conclusion of a schedule of historic and evolutionary cycles.... I am commanded as well, to the furtherance of all of the principles of UR, the Universal Religion on Earth

My knowledge is derived from study, contemplation, and revelation. The source of this revelation is Pacal Votan, AD 603-683

The Harmonic Convergence was a worldwide peace initiative that took place on August 16 and 17, 1987. Conceived by José Argüelles, it signified the end of the nine cycles of the underworld and heralded a 25-year period of spiritual growth leading to the end of the current age in 2012. Massive numbers of people gathered at sacred sites all over the planet awakening the energy grid.
