**Name:** Wisakedjak

**Tribal affiliation:** [Cree](#), [Algonquin](#), [Menominee](#)

**Alternate spellings:** Wisakejak, Wisakecahk, Wisakechak, Wesakechak, Wesakaychak, Wesakejak, Wisagatcak, Weesageechak, Weesagechak, Wiisaakechaahk, Wiisagejaak, Wissaketchak, Wissakatchakwa, Wîsahkecâhk, Wisahkecahk, Wisakecahk, Weskechak, Wesakecak, Wesakechak, Wiskejak, Wiskedjak, Wisaketjak, Wisagatcak, Wizakejak, Wisakejak, Wizakeshak, Wissekedjak, Weesakeechuk, Weesageechak, Wesucechak, Wisatkatcak, Whiskey-Jack, Whiskeyjack, Wisahkecahkw, Wee-sa-hay-jac, Wissekedjawk, Wisaketcakw

**Pronunciation:** Varies by dialect: usually wee-sah-keh-chock or wih-sah-kay-jock

**Type:** [Culture hero](#), [Transformer](#), [trickster](#)

**Related figures in other tribes:** [Wenebojo](#) (Ojibwa), [Glooscap](#) (Wabanaki), [Nape](#) (Blackfoot)

Wisakedjak is the benevolent culture hero of the Cree tribe (sometimes referred to as a "transformer" by folklorists.) His name is spelled so many different ways partially because Cree was originally an unwritten language (so English speakers just spelled it however it sounded to them at the time), and partially because the Cree

language is spoken across a huge geographical range in both Canada and the US, so it has many different dialects. Wisakedjak is a trickster character whose adventures are often humorous. Unlike Plains Indian tricksters, however, Wisakedjak is usually portrayed as a staunch friend of humankind, and never as a dangerous or destructive being.

Details of Wisakedjak's life vary considerably from community to community. In some myths, Wisakedjak was specifically created by the Great Spirit to be a teacher for humankind. In others, he was the divine son of the Earth. And in other legends, he was the son of a [Rolling Head monster](#), who was forced to kill his violent mother to survive. In many traditions Wisakedjak's younger brother was the Wolf, Mahihkan, who was killed by [Water Lynxes](#) or [Horned Serpents](#), earning them the bitter enmity of Wisakedjak.

-NANABOZHO

19

bozho, Misabos, Napiw\*, Nenabozho, Wieska, **Wisakedjak**, and their dialectic variants. The etymologies proposed for these several names are most probably incorrect, wholly or in material parts.

*Handbook of American Indians North of Mexico: N-Z* edited by Frederick Webb Hodge. Page 19.

# Wisakedjak

**Wisakedjak** (*Wisakedjàk* in Algonquin, *Wìhsakecāhkw* in Cree and *Wiisagejaak* in Oji-cree) is the Crane *Manitou* found in northern Algonquian mythology, similar to the trickster god *Nanabozho* in Ojibwa *aadizookaanan* (sacred stories) and *Inktonme* in Assiniboine myth. He is generally portrayed as being responsible for a great flood which destroyed the world originally made by the Creator, as well as the one who created the current world with magic, either on his own or with powers given to him by the Creator for that specific purpose. His name is subject to many variant spellings, including **Weesack-kachack**, **Wisagatcak**, **Wis-kay-tchach**, **Wissaketchak**, **Woesack-ootchacht**, and undoubtedly others.

It was sometimes Anglicized as **Whiskey Jack**, which became an alternate name for the Gray Jay.

## 1 In fiction

Wisakedjak is a character in the book *American Gods* by Neil Gaiman, where he is frequently referred to as “Whiskey Jack” as a corruption of the name.<sup>[1]</sup>

The character also appears in *Kiss of the Fur Queen* by Tomson Highway and *The Onion Girl* by Charles de Lint, and in "The Wolf at the End of the World" by "Douglas Smith" (where his name is spelled Wisakejack).

Elijah Weesageechak/[*Wiisagejaak*] is a character in the book *Three Day Road* by Joseph Boyden, where he has been nicknamed “Whiskeyjack” by his fellow company-mates as the Anglicized version of his name.

Whiskeyjack is a character in Canadian author Steven Erikson's epic fantasy series *The Malazan Book of the Fallen*. He is the putative leader (his rank goes up and down) of the *Bridgeburners*, an elite unit of soldiers in the Malazan Empire.

In the 1991 movie *Clearcut*, *Wiisagejaak* is referred to as the Deceiver by a First Nations elder named Wilf, portrayed by Floyd “Red Crow” Westerman.<sup>[2]</sup>

**Wiza'ka'a** (also spelled Wisaka and other ways.) Wiza'ka'a is the benevolent culture hero of the Kickapoo tribe (sometimes referred to as a "transformer" by folklorists.) His name is pronounced similar to wee-zah-kah-ah. Wiza'ka'a is the same character as the Cree [Wesakaychak](#) and shares some similarities with other Algonquian heroes such as the Wabanaki [Glooscap](#) and Anishinabe [Nanabozho](#); many of the same stories are told in different Algonquian tribes with only the identity of the protagonist differing.

**Related figures in other tribes:** [Wesakechak](#) (Cree), [Nanabojo](#) (Anishinabe), [Glooscap](#) (Wabanaki), [Napi](#) (Blackfoot)

Wisaka is the benevolent culture hero of the prairie Algonquian tribes (sometimes referred to as a "transformer" by folklorists.) His name is spelled so many different ways partially because these tribes speak several different languages, and partially because they were originally unwritten (so English speakers just spelled it however it sounded to them at the time). Wisaka is a trickster character whose adventures are often humorous. Unlike Plains Indian tricksters, Wisaka is usually portrayed as a good friend of humankind, not a dangerous or destructive being.

The details of Wisaka's life vary somewhat from community to community. Most often he is said to have been directly created by the Great Spirit. (Some Kickapoo communities in Mexico identify Wisaka as the son of the Great Spirit, though this may be an influence from Christianity.) In other traditions, Wisaka is born of a virgin mother and raised by his Grandmother Earth. In some stories Wisaka is said to have created the first humans out of mud, while in others, the Great Spirit created people modelled on Wisaka, who then became their Elder Brother. In many tribal traditions, Wisaka has a younger brother named [Chibiabos](#) or Yapata, who was killed by water spirits and became the ruler of the dead.
