Iahhel - Angel of Meditation - This shining one inspires meditation and illumination. Iahhel watches over philosophers and those who seek a

retreat from worldly pursuits. For those who have difficulty meditating, pray to Iahhel for help just before you begin your meditative practice.

Iahhel - Iahhel looks after the needs of hermits, philosophers, teachers, and anyone who is studying. He is a peace loving angel who can be invoked for help in meditation, and for counsel during periods of self-imposed retirement from the world. Iahhel is one of the 72 Schemhamphoras, a group of angels who bear the various name of God found in Jewish scriptures. Iahhel is also the guardian angel of people born between January 26 & 30.
