**Zaphiel** (Zophiel, Iofiel, etc.)—a ruler of the order of cherubim, and prince of the planet Saturn. Zaphiel is also the preceptor angel of Noah. Milton (*Paradise Lost* VI, 535) calls Zaphiel (Zophiel) “of cherubim the swiftest wing.” A “likeness” of Zophiel appears in Hayley, *The Poetical Works of John Milton*. According to Ambelain, *La Kabbale Pratique*, Zaphiel is also “chief of (the order of) thrones.”
