

What is Zheel Sciences and Zheel Sciences Institute?

Zheel Sciences carries out the research on the human brain, healing energies and the metaphysical powers. It reveals the way human mind and physical capabilities can be enhanced and utilized most suitably. At Zheel Sciences one can discover the true life changing healing and spiritual powers and attain the everlasting and eternal natural health, happiness, peace and harmony.

Prof. Dr. Abdul Samad Musafir [a brilliant researcher and international author] founded Zheel Sciences in **1993** and for the first time in the history has incorporated the miraculous advanced methods and techniques for treating various **chronic Psychological and Physical diseases**. Prof. Dr. Abdul Samad Musafir is writer of **14** books and has researched on ancient human history, archeology and exobiology, he has studied and has taken more than **5,500** pictures on it.
