

Fight Psychophobia: Join the EADP

Queen Mab 2005-02-14 17:58

Join the last great civil rights movement. Fight psychophobia! End the barbarism done in the name of psychiatry! Join the European Association for Democratic Psychiatry (EADP)

The Association is not an organisation of psychiatrists, psychologists and other mental health workers. It is not yet another "user" movement or organisation of carers. The EADP continues the development of Asylum the magazine for democratic psychiatry. After nearly 20 years of publication, Asylum stands alone against the global power of the giant Pharmaceutical companies, and calls for a revolution in mental health.

To become a founding member of the EADP (including a subscription to 4 issues of Asylum) send a cheque to: EADP c/o Asylum to the Limbrick Centre, Limbrick Road, SHEFFIELD S6 2PE. Make cheques payable to Asylum: In the UK for £20 (or £12 just to receive the magazine for 4 issues) In mainland Europe 40 euro (or 30 Euro just to receive the magazine) e-mail: eadp@asylumonline.net www.asylumonline.net
